			<p><b>XLII GIRO D'ITALIA</b></p> <p>In questa, e nelle pagine 18 e 19, eccovi i corridori del Giro d'Italia e la carovana al seguito: la macchina del Direttore di corsa Giuseppe Ambrosini, le automobili della Stampa, quelle delle Case con le biciclette di ricambio, la «Giroclinica», la macchina della Televisione. Incollando su cartoncino e ritagliando tutte queste figure, voi potrete, ogni giorno, dopo la lettura dei giornali, ricostruire la tappa del Giro in tutte le sue vicende.</p>
