**XLVI GIRO DI FRANCIA**  
 Eccovi i corridori che partecipano al Giro di Francia. Chi conquisterà la maglia gialla? Speriamo sia un italiano. Ercole Baldini potrebbe essere capace della grande impresa, a patto che alla forza dei muscoli unisca la volontà e l'orgoglio senza i quali è impossibile diventare dei grandi campioni. Le figure di questa pagina e delle pagine 12 e 13 vanno incollate su cartoncino e ritagliate.
