MOUNTAIN STAGE INCIDENT CHART

| Dice Roll | TO BE USED BY CARDED RIDERS ON CLIMBS ONLY |
|-----------|---|
| 2 | Bad day. No form today. The stage is long struggle. Ratings reduced by 3 instantly and rider must undergo a Pace Check during this section and if selected on any section, will not be able to attack and will have undergo a pace check instead. |
| 3 | Fall at low speed in tight hairpin bend. Rider's wrist is sore. Ratings reduced by 1 instantly. ??? |
| 4 | Mechanical problem. Service car is delayed. Replacement isn't satisfactory and is itself replaced. Rider is showing signs of frustration, 45 seconds are lost. |
| 5 | Puncture, service car is there straightaway to help rider on his way with a loss of 15 seconds only. |
| 6 | Ignore. No Incident. |
| 7 | |
| 8 | |
| 9 | Mechanical problem causes the chain to slip. The service car is hampered by spectators, one of them tries to help to make matter worse. Eventually the rider is on his way with a new bike but 30 seconds have been lost. |
| 10 | An over-enthusiastic spectator causes rider to fall. No serious harm done but 20 seconds are lost in the comotion. |
| 11 | Bad day. No form today. Ratings reduced by 2 instantly and rider must undergo a Pace Check during this section. |
| 12 | Illness. Rider cannot continue and retires from race. If incident occurs on last climb, illness is assumed to have become worse overnight and rider is a non-starter on next stage. For last climb, All ratings become "0" and rider must undergo a pace check immediately. ??? |

Key: ??? means that the rider is questionable for next **day** (not stage). Roll dice and check if dice roll is within the rider's retirement range, he does not start.

Rating -1 means that all the rider's rating are reduced by the amount shown.

Rating -2

Rating -3

xx seconds are lost means that the Total Time accumulated by rider at this point is reduced by this amount. The rider drops down from his group as a result.

| 3 | Serious fall. Bruised, battered and bloodied but continues. All ratings -3 immediately. ??? Next day. Recovery +1 each following day. Time loss, 3 minutes instantly. Then, rider cannot attack but must undergo pace check every time his team is selected. Another rider from the same team (if available) can be selected as well on the same Action Phase. |
| 4 | Fall. No real harm done. All ratings -1 today. 30 sec lost on the fall. Rider does not attack on the descent. |
| 5 | Mechanical problem. Must change bike. Support car slightly delayed. Rider cannot attack and loses 30 seconds to be deducted from his time allocation on the descent |
| 6 | Great descending skills. |
| 7 | |
| 8 | |
| 9 | Puncture early on the descent. Rider loses 30 sec to be deducted from his time allocation on the descent. |
| 10 | Fall. No real harm done. All ratings -1 today. 30 sec lost on the fall. Rider does not attack on the descent. |
| 11 | Serious fall. Bruised, battered and bloodied but continues. All ratings -3 immediately. ??? Next day. Recovery +1 each following day. Time loss, 3 minutes instantly. Then, rider cannot attack but must undergo pace check every time his team is selected. Another rider from the same team (if available) can be selected as well on the same Action Phase. |
| 12 | Very bad fall. Retires from race immediately |

Key: ??? means that the rider is questionable for next **day** (not stage). Roll dice and check if dice roll is within the rider's retirement range, he does not start.

30 sec deducted from time allocation. Means that the rider does benefit from attacking on the descent, but the time he gained is reduced by 30 sec.

Rating -1 means that all the rider's rating are reduced by the amount shown.

Rating -2

Rating -3

30 sec lost on the fall. Rider does not attack on the descent. means that the rider lost confidence and doesn't attack on the descent. He will get the time allocation from his group + 30 sec lost on the fall.

Great descending skills. means that the rider does a great job and get the benefits of his risks taking

INDIVIDUAL TIME TRIAL STAGE INCIDENT CHART

| Dice Roll | TO BE USED DURING I.T.T BY ALL RIDERS SELECTED AND RIDERS TAKING RISKS | | | Description of Incident |
|-----------|--|--|--|---|
| 2 | | | | Very bad fall. Retires from race immediately. |
| 3 | | | | Bad fall. Rider is hurt but continues in spite of pain. 45 sec lost during incident + 2 sec per Km. ITT Rating down by 1 d6. ??? ,all Rating down by 3 recover 1 every day thereafter |
| 4 | | | | Bad day, rider cannot settle down into a good rhythm. Loses 1 sec per km. |
| 5 | | | | Mechanical problem. Must change bike. 30 sec lost. |
| 6 | | | | Good performance today. Die roll upgraded +1 |
| 7 | | | | Very good Iime Trial Performance today. Dice roll upgraded to 6 6 10 |
| 8 | | | | Good performance today. Die roll upgraded +1 |
| 9 | | | | Overshoots correct line into corner towards the end, rider loses sum of 2 d6 sec. |
| 10 | | | | Puncture. Rider loses 20 sec. Could not find ideal rhythm, thereafter I.T.T Rating -1 d6 today. |
| 11 | | | | Fall. No real harm done. I.T.T Ratings -1 d6 today. 30 sec lost on the fall. |
| 12 | | | | Rider feels unwell and is really struggling. Loses 2 sec per km. ??? (Rating down by 2, recovers 1 every day) |

Key: ??? means that the rider is questionable for next **day** (not stage). Roll dice and check if dice roll is within the rider's retirement range, he does not start.

30 sec lost means that 30 seconds are added to the rider's time today.

Loose the sum of 2 d6 means that the sum of a dice roll is added to the rider's time today

Rating -1 d6 today means that I.T.T rating is reduced by the extent of a single die roll

Loose 2 sec per km means that a sum equal to the T.T distance multiplied by 2 is added to the rider's time

Dice roll upgraded to **6 6 10** means that the rider benefits from the best performance possible.

TEAM TIME TRIAL STAGE INCIDENT CHART

| Dice Roll | TO BE USED DURING T.T.T BY ALL TEAMS SELECTED AND TEAMS TAKING RISKS | | | Description of Incident |
|-----------|--|--|--|---|
| 2 | | | | Two riders collide and go down. Team must wait for them to get complement of 5 at finish. T.T.T rating down by 1 d6 |
| 3 | | | | Random rider feels unwell and is dropped by the rest of the team. Will loose 1 d6 sec per Km on team time. ??? Rating down by 1 |
| 4 | | | | Top Individual Time Trialist inflict a rhythm too strenuous for the rest of the team who lacks cohesion. 1 sec per km lost. |

| 7 | | | | Excellent Team Time Trial Performance. Dice roll upgraded to 6 6 10 |
| 8 | | | | Good Team performance today. Die roll upgraded +1 |
| 9 | | | | Mechanical problem affects key rider. 20 sec lost by team. |
| 10 | | | | Random team rider falls. Cut and bruised but finishes nevertheless, albeit 2 min behind the team. Team manager's choice option. |
| 11 | | | | Too many many riders are dropped, teams are forced to wait for 5th man. T.T.T Rating down by 1 d6 |
| 12 | | | | Random rider has bad fall towards the end of the stage. Loses 1 min on team time. ??? Rating down by 3. No option for team manager. |

Key: see above, plus

Die roll upgraded +1 means add 1 to the die being re-rolled. If a six is rolled, the extra point can go to the other die. No "6" result can be increased.

Random team rider (fall or unwell) means that the rider must be identified as per Incident procedure on Flat and Mountain Stages

FLAT STAGE INCIDENT CHART

| Dice Roll | Description of Incident |
|-----------|---|
| 2 | Very bad fall. Retires from race immediately |
| 3 | Serious fall. Bruised, battered and bloodied but continues. All ratings -3 today. ??? -2 Next day. Recovery +1 each following day. Time loss today, 2d6 x 15 sec on peloton. If rider was in breakaway when incident happened, he is dropped from group. Ignore loss of time in last km. |
| 4 | Fall. No real harm done. All ratings -1 today. Full recovery next day. Rider will rejoin peloton or breakaway unless fall is in section 10 km or less from finish. If incident occurs in last 10 km but not last km, rider loses sum equal to dice roll (all three) to peloton. No time loss in last Km. |
| 5 | Mechanical problem with chain. Must change bike. Support car slightly delayed (unless in lead breakaway group). If incident happens before peloton chases, all riders rejoin their original group. If incident occurs when peloton chases but outside last 15 km, all Breakaway riders are dropped from group, key Riders are paced back to peloton, Sprint Specialists are also paced back to peloton but rating -1. Other riders will lose sum of all three dice to peloton today. If incident occurs in last 15 km, key riders finish at back of peloton, other riders lose time equal to sum of all dice x 2. Ignore time loss inside last km. |
| 6 | Puncture. If incident happens before peloton chases, all riders rejoin their original groups. |
| 7 | If incident occurs when peloton chases but outside last 15 km, all Breakaway riders are dropped from group, key Riders are paced back to peloton, Sprint Specialists are also |
| 8 | paced back to peloton but rating -1. Other riders will lose sum of all three dice to peloton today. If incident occurs in last 15 km, key riders finish at back of peloton, other riders lose time equal to sum of all dice x 2. Ignore time loss inside last km. |
| 9 | Mechanical problem with gears. Must change bike. Support car slightly delayed (unless in lead breakaway group). If incident happens before peloton chases, all riders rejoin their original group. If incident occurs when peloton chases but outside last 15 km, all Breakaway riders are dropped from group, key Riders are paced back to peloton, Sprint Specialists are also paced back to peloton but rating -1. Other riders will lose sum of all three dice to peloton today. If incident occurs in last 15 km, key riders finish at back of peloton, other riders lose time equal to sum of all dice x 2. Ignore time loss inside last km. |
| 10 | Bad day. Rider feels off form and is struggling a little bit today. Rider will not attack today. If rider is already part of breakaway group, he is dropped immediately and will return to peloton and finish at back of bunch. All ratings -2 today. Ratings full ratings returns next day on d6 roll of 1-3. Only 1 pt recovery on 4-6 result. |
| 11 | Rider unwell. Struggles all day to stay in the bunch. Cannot be part of breakaway or secondary attacks. If incident occurs when peloton is chasing, rider will lose 2d6 x 15 sec today. ??? next day. If starts next stage, ratings -2, and -1 next day, full recovery day after that. Any re-occurrence of this result during Tour is automatic retirement. Ignore this result in last km of stage. |
| 12 | Illness. Rider cannot continue and retires from race. If incident occurs in last km, illness is assumed to have become worse overnight and rider is a non-starter. |

Sprint Finish:

Results 2, 3, 4 are falls of varying severity. No time loss but Ratings reduction and questionability apply.

Results 5 and 9 are mechanical problems affecting the rider and preventing him from participating in the sprint.

Results 6,7,8 are ignored

Result 11 is changed to: " Fall, possible pile up determine a number of riders in the same way as for determining the number of breakaway riders to be checked.

When checked, any dice roll of 2,3, or 4 apply (fall). Other results mean that rider is ok.

Result 12 is changed to: "Disqualified by commissaire for dangerous riding" and only applies to sprint specialist. Ignore otherwise.

Key: ??? means that the rider is questionable for next **day** (not stage). Roll dice and check if dice roll is within the rider's retirement range, he does not start.

Rating -1 means that all the rider's rating are reduced by the amount shown.

Rating -2

Rating -3

2d6 x 15 sec means that the time loss for the day will be equal to the sum of the two d6 multiplied by 15
